Religious School with Honors acknowledges the important role our students play in Temple Emanu-El’s community above and beyond our regular weekly program. Students in grades Pre-K-6 must earn five points to qualify for honors status; application forms may be submitted as soon as this is achieved. Points are earned by attending Temple events or special programs outside of Religious School hours. To see a partial list of qualifying events and programs, please consult the other side of this form.

We encourage all students to fill out this form themselves; younger students may get help from an adult.
